STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers, sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial, for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

1976 reserve champion bull that is in the T. L. Reedy and Son herd in Illinois. Iowa Royal is noted for the herd sire quality of the bulls offered for sale.

1976 sale champion female. Purchased and shown successfully by Jerry Taylor. Quote "She has done as well as any animal in our show herd." This year's sale has more bred the same way.

Our Invitation to

The Iowa Royal

Shorthorn Show & Sale

To be held in conjunction with the Iowa Winter Beef Expo of 1977. A cooperative endeavor to market the selected Iowa breeding cattle presented at this event. A business and social effort combination that we know you will want to be a part of.

Each year new selected Shorthorn cattle are offered and it would be great to find new words to describe the cattle to you. Not that many new words; so we rearrange old words to have new meaning.

The pride Iowa Shorthorn breeders have in the reputation established at this sale of offering only their best; leads to a selection and presentation of only top individuals from their herds.

The Iowa Shorthorn Breeders Ass'n. organized to promote the Shorthorn Breed of cattle with membership in all branches—Polled, Horned and Commercial—takes great pride in endorsing this offering of quality selected Shorthorn breeding cattle.

The consignors to this sale have endeavored to meet the current demands of the beef industry; through use of time proven application of genetics and the newer methods of measuring their progress. R.O.P., show ring evaluation, carcass data, and others with a more profitable end result.

A selection of Bulls—54; Bred Females—9 and Junior Heifers—33 for this sale measure up.

In your study of this catalog you will find an offering of new bloodlines, new consignors and established reputation breeding cattle from long time breeding consignors. Iowa breeders have traditionally selected and reserved the tops from their herds to be sold at the show window sale, The IOWA ROYAL.

Over the years seed stock producers and commercial breeders have returned to the Iowa Royal for new herd bulls and foundation females. To get this buyer acceptance it must be considered proof of performance and satisfaction. The quality cattle offered in this sale can meet the needs of the most discriminate breeder, purebred or commercial.

Breeders and junior club members have looked to this sale for foundation females and project heifers. Some new consignors are returning this year to sell cattle from their herds that were founded on purchase at previous Iowa Royal Sales. Need more be said?

Make your plans early to attend. Enjoy the show and the next day fill your needs at the sale.

This Sale Dedicated to

Levi Johnson

The dedication of this 1977 Iowa Royal Shorthorn Sale to Levi Johnson, Atlantic, is just another way to say thanks to a fellow member and Iowa Shorthorn Breeder.

Levi started his herd in 1923 with one heifer purchased with funds from 4-H projects. The start of 53 years of breeding Shorthorn cattle.

"Success" can be many things; enjoyment; a test of judgment; winning; being a part of organizations; profitable sales and improving a herd of cattle. Mr. Johnson has experience in all of these and more.

Named Builder of Breed in 1962 by American Shorthorn Association.

Past President and long time director of Iowa Shorthorn Association and leader in his own community in other endeavors.

Levi Johnson! Thank you for your time and skills directed toward breeding better Shorthorns.

General Information

TELEPHONE & MAIL—Any late mail and buying orders can be addressed in care of, or phoned to Robert C. McKinley, Sale Manager, Ramada Inn, Des Moines. Mark late mail, "Hold for Arrival". On sale day he may be reached by PHONING the Cattle Barnes, IOWA STATE FAIRGROUNDS, DES MOINES, IOWA. The telephone number is Area Code 515-266-9568 or ask for information for IOWA STATE FAIR CATTLE BARN.

SHOW & SALE FACILITIES—The Show and Sale accommodations in the main cattle barn at the Iowa State Fairgrounds are ideal for this great event. The ample exhibition stalls and wide alleys are ideal for viewing and inspecting the sale cattle under comfortable conditions. The large heated sale pavilion is one of the finest with comfortable seats and an ideal view of the cattle selling. A fine large lunchroom and additional lunch stands will accommodate the large attendance throughout the sale. The Fairgrounds has unlimited parking for cars, trailers and trucks.

SHIPPING & TRANSPORTATION FACILITIES—There are good facilities for loading livestock. Ample trucks available for either short or long distance hauling and either small or large loads.

LOCATION—The sale will be held in the heated pavilion at the Iowa State Fairgrounds, Des Moines, on Tuesday, Feb. 1, 1977. The sale will start promptly at 11 a.m. Des Moines is easy to reach by paved highway, railroad, bus service and plane service.

TERMS—The terms of this sale are cash unless other arrangements are made in advance with consignor from whom you purchase. Settlements are to be made with the Clerk of the Sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off and will be loaded in compliance with instructions from the purchaser.

GUARANTEE—All cattle sold in this sale will be sold under the Standard Guarantee recommended by the American Shorthorn Breeders Association and shown at the back of this book.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager, officers and directors of Iowa State Shorthorn Association, nor the clerk of the sale assumes any liability, legal or otherwise.

All cattle are absolutely healthy in every respect and will have passed the tuberculosis and Bang's disease test within thirty days of the sale. Health certificates will be furnished where required to ship into any state or territory.

Although we will use every precaution to provide for the comfort and safety of our guests, all persons who attend this sale do so at their own risk & the owners assume no liability, legal or otherwise, for any accidents that may occur.

Certificates of registry with transfers entered and recorded in the buyer's name will be furnished with each lot sold and for every calf at foot. An application will be furnished for every calf carried in dam.

Where footnotes appear in this catalog they were furnished by the consignor or written from information supplied by the consignor. Announcements from the block take precedence over footnote information.

INSURANCE—Buyers wishing to insure their purchases through Harding & Harding Livestock Insurance can be accommodated by so indicating to the Sale Manager at the Sale or to the Sale Clerk at time of settlement.

MAIL BIDS—Mail or wire bids may be sent to Sherman Berg, American Shorthorn Ass'n., Omaha, Neb.; Wade Hauser Jr., Wallace's Farmer, Des Moines, Iowa; Jay Carlson, Drovers Journal, Ames, Iowa; Dick Kane, Wisner, Neb.; John Furlong, I.C.A., Ames, Iowa; Robert McKinley, La Porte City, Iowa, Sale Manager. Late bids to the above may be addressed in care of the Ramada Inn.

SALE HEADQUARTERS—Ramada Inn Downtown, 929 3rd St., will be the Sale Headquarters. Make personal hotel reservations as soon as possible and mention the Iowa Royal Shorthorn Sale. The telephone number is Area Code 515-282-5251.

JUDGE — Frank Kaehler St. Charles, Minn.

Frank Kaehler, the eldest son of the second generation of "The Kaehler Family", owners of Homedale Polled Shorthorns. A young breeder that has grown up through the ranks from pitch fork to successfully feeding, breeding, showing, and selling Champion Shorthorns. He has respect of his fellow Shorthorn breeders by being invited to judge major shows and sales throughout the United States. His latest assignment was judging the National Shorthorn Show & Sale at The American Royal in Kansas City, Missouri.

He stood 2nd in Nebraska State Fair, 4th at Missouri State Fair and 1st at Waterloo. He was in our pair of bulls which stood 1st Neb., 2nd in Mo. Super Star's Star dam B E Star 53rd is one of our top producers and she is from the very reliable Star cow family from the C. L. Baughman herd in Missouri. A full sister looks tremendous this year. Star 53rd won her class at the 1974 National Jr. Heifer Show. Super Star will undoubtedly add size and scale to his off-spring and keep the structural correctness which is of equal importance.

Duke is an outstanding son of our herd bull, the Fox, who weighs 2,310 lbs. His dam is one of our large cows and was senior champion at the 1974 International. He has the length, height and muscling needed today. His weight at 205—710; 365—1090. He weighed at Kansas City 1300 at 15 mos. of age. He is a half brother to the Duke of Swisher who did so great for us last year and is doing great for George Alden. He will be a great herd bull. His sire was named 5th sire of the year.

Hel-Lo-Na Royal Crown

A heifer purchased in last year's sale that won the Grand Champion FFA Shorthorn Heifer Class at the Iowa State Fair. Potential winners like this at the 1977 sale. Sired by a McKee bred bull.

STINGER—Is without doubt the best bull ever raised at M&S Shorthorns. Stinger is the type of bull that Shorthorn breeders should be striving to produce. He is one of the tallest, trimmest bulls around, even more he shows superior muscle expression. Not only does he excel in the show ring, but in performance also. His weights and measurements are as follows: (1) adj. 205 day wt.—640 lbs (2) actual 365 wt.—1122 lbs. (3) 160 ADG —3.06 lbs. (4) Top indexing calf at both 205 and 365 day wt. and 160 ADG. (5) Ht. at 1 yr. 50" plus (6) Last wt. Oct. 25, 1976—1365 lbs.

Stinger has been shown 7 times and never beaten in class. Grand Champion—All-Iowa Fair and Iowa Jr. Show; 1st in class Iowa State Fair; 1st in class Mo. State Fair, Res. Jr. Champ., and 2nd place Get-of-Sire; 1st in class Neb. State Fair Jr. Champion, 1st pair bulls, 2nd place Get-of-Sire; 1st in class Kansas State Fair; 1st in class Waterloo, Jr. Champ., Res. Grand Champion. Stinger undoubtedly will be one of the most genetically superior bulls to sell this year. Two-thirds and full possession sells.

VALIANT'S ROSEWOOD 2nd—Here is a female that we are very proud to offer in the sale. She comes from the top of our herd and am sure will please the most ambitious breeder. A real growthy heifer and yet having the eye appeal of an outstanding producing cow. She will calf in May to Willow Crest Defender that went into the well known Lee Johnson herd last spring. We think this female with her pedigree and type she is bred to, will be mighty hard to duplicate. A female we have liked all along and just keeps getting better each time you see her.

J S F T DUCHESS STANDARD 5H x—From the very top of our 1976 heifer calf crop, we have selected two daughters of Kenmar Standard 32E out of Tiny Tim cows. Our sale manager advised us last year, "Bring Something Special." It was sound advice—we did just that and are doing it again this year. Here is a heifer that will make a show heifer and an excellent brood cow. She has size, correctness, femininity and a pedigree to match that guarantees she is no accident. These Kenmar Standard cattle are working in our herd, in the show ring, and in other top herds. Her half sister was Champion female at fall Oskaloosa Sale and half brother Reserve Champion at the same sale.

J S F T STANDARD ANN 12H x—We bought Kenmar Standard 32E because of his size, muscling, trimness, and because we wanted to produce practical cattle. Harvey Fulton, who bred him, believes in these attributes in his cattle and believes they must make money for whoever owns them. This heifer is polled and has the qualities her Sire also possesses. She will make a top show heifer and better yet, a very good sound dependable producing brood cow. She is a half sister to the Champion female and Reserve Champion bull in 1976 fall Central States Sale and a class winning heifer we showed here last year.

Roan, C. L. Baughman & Son

M & S PRINCESS PAT 605—The first polled daughter of Duke to sell at auction and out of a first calf heifer. Her dam is a full sister to our early spring yearling show heifer, B E Princess Pat 175th. 175th stood 2nd at Missouri State Fair to the Res. Jr. Champion. 605 is the 1st heifer calf we've ever sold from a Baughman cow. The Princess Pat family is one of our most reliable families and this heifer will undoubtedly make a brood cow for someone. She is a half sister to both our bulls selling. Calfhood vaccinated.

MATCHLESS WHITE BEAUTY 76—A beautiful white heifer with a lot of future potential. Her dam is of the Sultana breeding which has produced our top show heifers the past couple years. This heifer is selling young but has as much growth as a lot of our older calves and should continue to excel in performance. Calfhood vaccinated. Dehorned.
